Please check the following:	
<ul style="list-style-type: none"><li>✓ All company details</li><li>✓ Spelling</li><li>✓ Correct colours are used</li><li>✓ Correct template is used</li><li>✓ Positioning of artwork</li></ul>	Please note that because of the way we see light, colours printed with ink look different to colours displayed on a computer screen. It is therefore essential that the correct corporate colours must be specified by the client before printing. Providing Pantone colours ensures the colours are printed as close as possible to your corporate colours.
