lease check the following:

	Please note that because of the way we see light, colours printed with ink look different to colours displayed on a computer screen. It is therefore essential that the correct corporate colours must be specified by the client before printing. Providing Pantone colours ensures the colours are printed as close as possible to your corporate colours.

order/invoice number)

Trim Size / Blue Trim Line

2990x300 mm

The “Trim Size” on the template is the total area of the graphic and where the graphic will be trimmed to.

Safe Area / Yellow Line

2970x280mm

The “Safe Area” on the template is the front viewable area that will be clearly visible after the graphic is erected.
Keep all text and important images within this area.
